Special Meeting-Site Walk Minutes November 19, 2016

A special site walk meeting of the Madison Inland Wetlands Agency was conducted on Saturday November 19, 2016, starting at 9:00 a.m. at the Tuxis Pond boardwalk.

Members Present: Mark Ferris, Kealoha Freidenburg, Dave Newton, Lee Schumacher, Barbara Yaeger from the Inland Wetlands Agency

Others present: Robert Kuchta, Inland Wetlands Enforcement Officer

The members present convened at the Tuxis Pond boardwalk overlook platform, near the north end of the CVS Parking lot. The purpose of the site walk was to observe potential view corridors from the Tuxis boardwalk and areas bordering the Tuxis Pond.

A second area, located west of the Madison Hose Company property was viewed looking in a northerly direction.

A third area, near the back of the Café Allegre property was also walked.

During the walk, several issues were floated to discuss with the full Wetlands Agency:

Trash removal, Stormwater treatment, Benches for sitting, Fishing access, Canoe access to the pond

A map of the potential view sheds would be helpful information to have for the next meeting, showing ownership of the properties surrounding the pond.

Meeting adjourned at 10:00 a.m.

Respectfully submitted, Robert Kuchta
