Board of Selectmen / Budget Workshop

Meeting Minutes

First Selectman Tom Banisch called the Budget Workshop of the Board of Selectmen to order at 8:35a.m. Present were:

Board of Selectmen: Tom Banisch, Al Goldberg, Bob Hale, Bruce Wilson and Scott Murphy.

Supervisor of Dispatch Ed Brunt was present for the Budget discussion.

The workshop included discussion on what is the goal of the BOS budget. The BOS understands that with so many unknowns from the State the 2017-2018 budget is still a work in progress as it moves forward to the BOF.

Ed Brunt gave an update that the \$15,000 additional request for equipment is no longer necessary. Motorola will now include this equipment as part of the Communications project.

Selectman Goldberg discussed the WPCA request for a waste water study to be completed by the Town. There is the potential for 55% reimbursement from the State. The next step will be for the WPCA and the Director of Health to develop an RFP for the project.

There was discussion of ways to accomplish capital projects with available current year operating funds.

Meeting adjourned at 10:10 a.m.

Respectfully submitted,

Stacy S. Nobitz
