**SUBJECT TO APPROVAL**

**Minutes of Special Meeting of April 19, 2016**

Members in attendance; John N. Bowers, John DeLaura, Vin Garofalo  
Members absent: None  
First Selectman Tom Banisch and two residents in attendance

There were no citizen comments.

The meeting was dedicated to a discussion of the camping trailers on the Todd's Mill/Mill Road Property. The owner of the crane company has committed to removal of the large green trailer and small building portion, and will schedule removal as soon as possible. The property owners have taken another four loads of scrap metal to the scrap yard and have moved some other items around such that they are less visible.

DeLaura made and Bowers seconded a motion to keep the fines in abeyance until the next regular meeting on May 10, 2016, in hopes that the green trailer and small building portion will be gone, and if not, a final, "drop-dead" date for removal will be set. This motion was approved unanimously.
