4. Public comments.

Tom Cleveland updated the Committee of the fruit tree project and it was agreed he could start some seedlings in the farming project plot.

The Garden Club -There was continued discussion of a location for the Garden Club to create a raised garden and meeting area. Margot Roane and Deirdre Badik of the Garden Club have been working with Ellen van Wees who ran the farming project garden to add an education component

to the project.

Discussion was about using an area on the south side of the Bauer driveway. Discussion will continue before plans are finalized.

Jane Andersen is obtaining her Master Gardener certification and asked about the possibility of getting some of her hours at Bauer. Austin will work with her on this.
