**PARENT HANDBOOK
2021-2022**

We have an exciting year planned and are glad that you and your child/children will be a part of our program. The main objective is to provide a safe enjoyable program and environment for your child/children and **our main concern is your child.**

We stress recreation and socialization for your child/children as we believe this is the time of day when they should have fun and make new friends. The children can choose from a variety of activities, which are supervised by the staff. The Town of Madison Beach and Recreation Department After/Before School Program does not discriminate on the basis of disability in admission to, access to or operations of its programs, services or activities.

It is the responsibility of you, the parents to make sure the classroom teacher is aware of your child's schedule and to notify the After/Before School Program staff of your child's attendance or non-attendance. Call **(203-245-5626)** and follow the prompts, as this is an automated system.

ADMISSION

Children in kindergarten (K) through fifth (5) grade may register for the After/Before School Program. Enrollment is on a first-come, first-served basis. We staff according to our enrollment. Our program has a 1-10 ratio, or less, at all times.

ENROLLMENT

Your child can be enrolled on a regular basis, meaning that he/she attends one day, two days, three days, four days or five days each week. You will pay monthly according to your schedule. If your child does not attend, you will be expected to pay your monthly fee. If your child's schedule changes, you **MUST** notify the After/Before School Program in advance, so our records can be changed. A Before or

After School Program can/and will be closed if there are not enough students registered to warrant a program at a site.

DROP-IN ENROLLMENT

Drop-In enrollment is for those children who use the program on occasion. If you enroll your child as a drop-in, you **MUST** let us know in advance when they will be attending. You are required to purchase a drop-in pass for the After School Program and the Before School Program.

- 30 hours \$184.00
- 15 hours \$101.00

We ask that you share the date when leaving a message for the After/Before School Program, (example: my child will be attending After School on Monday, May 21). Also, we ask that you pay the amount billed to you along with the purchase of a new drop-in pass.

When your child/children will be attending the program, we ask that you call 203-245-5626, follow the prompts and leave a message the day before your child will be attending.

AFTER SCHOOL – You **MUST** contact the After School Program site when your child/children will or will not be attending.

CLOSING TIMES AND FEES

The program ends at 6:00 p.m. A late pick-up fee of \$1.00 will be charged for every minute you are late. You will be billed accordingly.

ARRIVAL AND DEPARTURE

Only authorized persons will be allowed to pick up your children. If there is to be a change in your child's usual departure procedure, please advise us:

Before School

1. Parents **MUST** wait until our staff arrives before leaving child/children.
2. **NO CHILD IS TO BE DROPPED OFF.**
3. Parents **MUST** sign child in with staff.
4. When school has a delayed opening, the Before School Program will also have a delayed opening following the school schedule.

2. A child will be discharged from the program only to:
 - a. Parent/guardian
 - b. Designated person (in writing)

 - b. Designated person
Indicating time of pick-up before leaving the program. Failure to mark time down will result in your being charged for the whole afternoon if your child is a drop-in. **NO CHILD WILL BE PERMITTED TO MEET A PARENT AT THEIR CAR.**
5. On snow days when school has not been dismissed early and the weather is deteriorating, our staff will make phone calls starting at 4:00 p.m. For this reason, we need four (4) emergency phone numbers, which are designated to pick up child/children by parents.

CLOSINGS

The After/Before School Program will follow the policy of the Madison Public School System regarding closing due to snow or other emergencies. (One hour delay, 90-minute delay, two-hour delay).

- If the Madison schools are dismissed early due to inclement weather or other emergencies, the After-School Program will be cancelled.
- If the Madison schools are dismissing at the regular time but have cancelled after school activities, (i.e., clubs, intramurals, practices, etc.), the After-School Program will be in session but we reserve the right to contact parents concerning early pick up of their child/ children should weather conditions continue to deteriorate. Please listen to local radio and TV stations, telephone the Weather Hotline at 203-245-5600, at the prompt press 7411.

LOCKDOWN PROCEDURES

If a situation should occur where we have to secure a lockdown for the safety of the children, we will follow the procedures used by the school during the school day at our program. This is for consistency for the children.

IMPAIRMENT POLICY

If you appear physically impaired to us, we will suggest you allow us to call someone to drive you and your child home. Please be aware that in order to protect ourselves, we will notify proper authorities if refused.

DISCIPLINE

There is a one-month probationary period for each child and an opportunity for the staff and parents to determine if the program is appropriate for the needs of the child and family. We encourage positive methods of disciplining children in the program and do not allow parents or staff to:

1. Use abusive language
2. Physical punishment
3. Emotional maltreatment

We have rules which all children are expected to adhere to.

Children are to show the same respect to our staff they would to any authority figure. If a discipline problem reoccurs, termination of participation in the program will take place.

BULLYING

Please note that any form of bullying behavior is expressly forbidden and subject to disciplinary action, including suspension and expulsion from the program.

PARENTS MAY NOT APPROACH CHILDREN, OTHER THAN THEIR OWN, concerning behavior issues occurring during the program hours. If you have a concern, a staff member must be notified and the Site Supervisor will address it.

STUDENT'S WITH IEP's AND 504 PLANS

If your child has an IEP or 504 Plan, please consider signing a Release of Information form so we can communicate with the student's case manager and/or school staff. This communication will allow us to better provide services for your child because we will have a better understanding of their strengths and challenges. It will also allow for us to understand the type of support which helps your child be successful at school such as additional adult support. If your child has a behavior plan, the communication between Madison Beach and Recreation Department After/Before School Program and Madison Public Schools is essential for us to know how to support your child. If you have any questions

about the Release of Information with Madison Public Schools, please contact the Director of Special Education Dr. Elizabeth Battaglia (e)battagliae@madison.k12.ct.us (p) 203-245-6340.

BEHAVIOR EXPECTATIONS

Respect After School staff and fellow students.

Expect fair treatment and show courtesy to all adults and others at program.

Spend time playing activities in a proper manner.

Pay attention to others feelings – think how you would feel.

Experience your uniqueness as an individual – make a new friend.

Continue to follow the rules and show proper behavior.

Together we can make it work – we can be responsible decision makers.

DISCIPLINE

1. 1st time student breaks the rules – staff talks to student
2. 2nd time student breaks the rules – sit for 5 or 10 minutes
3. 3rd time student breaks the rules – student will not participate at After/Before School for the remainder of the day and parent(s) will be spoken to.
4. The Site Supervisor will determine if a disciplinary action report will be written up on the child. Three reports will result in a formal meeting with the parent(s), Site Supervisor and After/Before School Coordinator. Suspension from the program could take place.

ILLNESS AND ACCIDENT

After/Before School Program staff are trained in first-aid, AED, CPR, and how to administer an epi-pen.

1. Minor cuts and bruises are given first-aid at the program. In the event of anything more serious, an attempt is made to reach the parents. Emergency files will be kept on the premises for each child. Parents will be notified by phone of any illness. Parents or authorized persons will be expected to pick up a child who appears, to our staff, to be too ill to remain in the program. We expect that if you are called in an emergency, you will come as soon as possible.
2. In cases of sudden illness, the child will be isolated from the other children until picked up by a parent or designated responsible person. The child will rest in the “quiet area” supervised by a staff member.
3. If your child is to be absent because of a contagious disease, please notify us so we may post it properly at the site.
4. Inform the staff members on duty of any significant incidents such as lack of sleep or unusual excitement at home which might affect behavior of the child.
5. If your child becomes ill at the end of the school day, the child will not be able to attend the After School Program that afternoon.

EMERGENCY MEDICAL CARE

In cases of acute medical problems, the program will make every effort to contact the parents immediately. In the event of an emergency, 9-1-1 will be contacted and your child will be taken by ambulance to the nearest hospital. A staff member will accompany the child if the parents cannot be contacted. For this reason, it is important that the emergency release form be signed.

USE OF MEDICATION

Students will be allowed to self-administer medications as long as proper forms are on file with the After/Before School Program. A form must be signed by a physician and the parent stating that the child has been trained to administer medication to him/herself if they need it. Medications will be kept in a locked box at each program site. The Recreation Department does not have access to medications in

possession of the school Nurse. Separate medications must be provided for the After/Before School Program.

As permitted by state law, staff will be trained to administer cartridge injector medication. All necessary paperwork signed by a physician and parent must be on file with the Madison Recreation Department After/Before School Program.

FOOD ALLERGIES

If your child has a food allergy, we will follow the steps listed below:

1. Child will be separated from group, if requested by parent.
2. All tables will be disinfected following the snack time.
3. All participants will wash their hands with antibacterial soap before play resumes.
4. If your child experiences a reaction, we will make him/her as comfortable as possible, 911 will be called and all attempts will be made to contact the parents and then people listed on the emergency contact list.

MANDATORY REPORTING

Our staff are Mandatory Reporters to the Department of Children & Family (DCF). We are required to contact DCF with any concerns regarding neglect or abuse.

CLOTHING

We believe that children should be allowed to play without fear of scolding if their clothing gets dirty. Therefore, expect soiling and do not blame the child or the staff. Children should wear or bring sneakers to the After School Program daily. Whenever weather permits, time will be spent outdoors on the playground. During the winter months, please see that your child is dressed appropriately for outdoor play.

We strongly discourage children not to bring to After School:

1. Phones
2. Video games / other electronics
3. Collector cards
4. Sports equipment

The After/Before School Program is not responsible for broken or lost items.

If there is something the child would like to bring to After/Before School, please speak with the Site Supervisor.

TERMINATION OF ENROLLMENT

It is imperative that parents cooperate with all the policies described in this booklet. The Director may terminate a child's enrollment in cases of:

1. Non-payment of bill.
2. Parent's unwillingness to cooperate with program policies.
3. Children with serious social, emotional behavioral and health related difficulties.
